---

### \* PHOTOS DE FAMILLE

*For this exhibition to be held in the meeting room, we would like you to present the history of your family, and your genealogy.*

*Either on a large cardboard (or other material), we ask you to tell your story through pictures, ancient writings, genealogical trees, etc. ...*

*It could also take the form of an album, a drawing or a poster. Let your imagination guide you, what interests us is your history.*

*Bring your creations on Saturday morning at the hall, when you register and we will be happy to install them for you.*
